

— CONSTANÇA FREITAS

front-end developer | UI designer —

ABOUT

I am a 20-year-old student pursuing a career in front-end development.

I have a passion for creating visually appealing and user-friendly websites and applications.

In addition, I have some knowledge in UI design which allows me to create visually stunning designs that align with the functionality of my projects.

I am excited to continue growing, improving my skills and learn new things.
